AGENCY: National Park Service, Interior.

ACTION: Notice.

Notice is hereby given in accordance with provisions of the Native Graves Protection and Repatriation Act, 43 CFR 10.10 (a)(3), of the intent to repatriate cultural items from Lāna'i, HI in the possession of the Bernice Pauahi Bishop Museum, Honolulu, HI, that meet the definition of "unassociated funerary object" under Section 2 of the Act.

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 43 CFR 10.2 (c). The National Park Service is not responsible for the determinations within this notice.

In 1926, G.C. Munro gifted 97 glass and ivory beads to the Bishop Museum. Accession records indicate that the beads were "found some years ago with the bones of a child." The burial site was located on the island of Lāna'i, HI. Excavation records indicate that the human remains with whom these funerary objects were associated were not collected, or were collected but are no longer within the Bishop Museum's collection.

A detailed assessment of these unassociated funerary objects was made by Bishop Museum's professional staff in consultation with representatives from the Maui/Lāna'i Island Burial Council.

Based on the above-mentioned information, officials of the Bishop Museum have determined that, pursuant to 43 CFR 10.2 (d)(2)(ii), these 97 cultural items are reasonably believed to have been placed with or near individual human remains at the time of death or later as part of the death rite or ceremony and are believed, by a preponderance of the evidence, to have been removed from a specific burial site of a Native American individual. Officials of the Bishop Museum also have determined that, pursuant to 43 CFR 10.2 (e), there is a relationship of shared group identity that can be reasonably traced between these 97 unassociated funerary objects and the Maui/Lāna'i Island Burial Council, Hui Malama I Na Kupuna O Hawai'i Nei, and the Office of Hawaiian Affairs.

This notice has been sent to officials of the Maui/Lāna'i Island Burial Council, Hui Malama I Na Kupuna O Hawai'i Nei, and Office of Hawaiian Affairs. Representatives of any other Native Hawaiian organization that believes itself to be culturally affiliated with these unassociated funerary objects should contact Dr. Guy Kaulukukui, Vice President of Cultural Studies, Bishop Museum, 1525 Bernice Street, Honolulu, Hawaii, 96718-2704, telephone (808) 848-4126 before November 12, 2002. Repatriation of these unassociated funerary objects to the Maui/Lāna'i Island Burial Council, Hui Malama I Na Kupuna O Hawai'i Nei and Office of Hawaiian Affairs may begin after that date if no additional claimants come forward.
